UNIVERSITY CONSORTIUM FOR LIBERIA

UPLIFT. EDUCATE. UNDERSTAND.

Uplifting communities through education and understanding.

What We Do

The University Consortium for Liberia (UCL) coordinates diverse academic efforts between Liberia and the global community. Since 2009, we have collaborated with students, university faculty, and other academic professionals to increase learning in Liberia and the United States.

- Study Abroad Programs
- Service Learning Opportunities
- Student and Faculty Exchanges
- Research Studies
- Workshops & Conferences

Our story

Cynthia L. Blandford, the Honorary Consul General for Liberia in Atlanta, formed UCL with the support of the Embassy of the Republic of Liberia in Washington, D.C., and is the President and Board Chair of the nonprofit organization.

What began as an education initiative within the Liberian Consulate in Georgia has grown into an independent Atlanta-based 501c3 organization.

Our Success Stories

Under UCL, American students have studied abroad in Liberia, participated in service learning opportunities, and prepared research reports for the Liberian government. In doing this, these students have engaged in practical use of their education and studies.

Likewise, Liberian students have received full U.S. scholarships in pursuits of Undergraduate, Master's Degrees and PhDs with the opportunity to apply what they have learned on campus back home in their communities.
